3. Explain why you seek dispensation of all or any of the consultation requirements.

BCHG seeks dispensation from all of the consultation requirements of section 20 so that we will be able to enter into energy supply contracts for all our tenants swiftly, taking advantage of a more competative energy price, which we would not be able to do if we were to carry out full section 20 consultation.

Energy is a commodity and trades on the energy markets. With prices changing minute by minute competative quotations for energy are only held for a matter of hours rather than the 66 days needed for consulation under section 20. The energy market is currently volitile our objective is to keep as low and stable cost base for our customers by securing the lower summer prices currently on offer.

In addition, we will be unable to provide estimated costs to our residents Which we are required to do as part of the Service Charges (Consultation Requirements) England 2003. Working with our broker Select NRG who have access to prices we are unable to obtain, we will have a fixed price and the estimated costs for budgets will be more realistic.
